Re: Richmond Telephone Company, Richmond Connections, Inc., and  
CornerStone Telephone Company, L.L.C.  
Supplemental Filing  
WC Docket No. 09-5

Dear Ms. Dortch:

In response to a request for clarification from Commission staff, Transferee CornerStone Telephone Company, L.L.C. ("CornerStone") confirms that neither Transferee nor its owners, as identified on page 5 of the Joint Application for Consent to Transfer Control and Request for Streamlined Processing filed January 9, 2009 (the "Application"), is affiliated with any other telecommunications company.<sup>1</sup>

In addition, Applicants Richmond Connections, Inc. ("RCI") and CornerStone confirm that the carriers identified on pages 6-7 of the Application (incumbent wireline company Verizon, incumbent cable company Time Warner, and competitive carriers Global Crossing, Matrix, Paetec, One Communications, Verizon Wireless and AT&T Wireless) all operate in the single area where CornerStone and RCI currently compete with each other – Pittsfield, Massachusetts. In Pittsfield, CornerStone serves 62 business customers (representing 294 lines).<sup>2</sup> RCI serves 391 business customers and 726 residential customers in Pittsfield.

Please refer any questions regarding this matter to the undersigned.

Respectfully submitted,

  
Sylvia Lesse
